OFFICIAL SAFETY MAGAZINE OF THE U.S. ARMY

THIS WEEK 7-11 DEC 2015

'TIS THE SEASON

As the Christmas season approaches, many of us are decorating our homes, finalizing our wish lists and planning big meals. During this exciting time, however, we must not forget the holidays also bring an increased risk of home fires.

LUCK ISN'T A PLAN

Do not depend on luck to bring you back home. When planning your crews, mix the experience levels. Do not overreact to caution and warning lights; verify the emergency first and think about your situation and surroundings before you act.

SNOWMOBILE SAFETY

I have made hundreds of snowmobiling rides without a major accident, but I know of others who weren't so lucky. Like any other activity we choose to participate in, we must integrate risk management into snowmobiling to help ensure a safe outcome.
